

PEEPLS FOUNDATION TRUST SCHOLARSHIP APPLICATION

The Marion A. Peeples and Eva S. Peeples Foundation Trust (Bank One Trust Company, NA, Trustee) and Johnson County Community Foundation (scholarship program administrator) hereby give notice of the following:

The Peeples Foundation Trust Fund provides for the awarding of annual scholarships in three fields of study to graduates of Indiana high schools who will attend an Indiana college or university:

- [1] Persons majoring in Nursing [BSN, RN, LPN]
- [2] Persons majoring in Dietetics; and
- [3] Persons interested in teaching in the field of Industrial Arts/Technology Education

In awarding the scholarships, first and second preference is given to graduates of Franklin Community High School and other Johnson County high schools, respectively. In the event there are not sufficient applicants from Franklin or Johnson County, funds may be available to graduates of other Indiana high schools studying in these fields.

All scholarship grants are for one [1] year; however, at the discretion of the scholarship committee, the grants may be continued for up to a total of eight (8) semesters. Please note that the scholarship *cannot be used for room and board*. The scholarship committee determines the amount of each grant, based upon the funds available and evaluation of all categories of qualification. New award winners are added each year.

The award check will be mailed directly to the recipient's college. To the extent possible, a public announcement of the recipients will be made at an award ceremony held by the recipient's high school. The selection of the recipients for scholarship grants is the sole responsibility of the scholarship committee of the Peeples Foundation Trust Fund.

Criteria for Determining Recipients

The criteria used by the scholarship committee to determine recipients includes:

- Enrolled or plan to be enrolled FULL TIME (a minimum of 12 hours) in college
- Prior academic preparation on tests designed to measure ability and aptitude for college work
- Academic performance at high school and/or college (GPA)
- Recommendations from instructors and other responsible persons
- Financial need
- The results of a personal interview with the scholarship committee. The interview will assist in determining candidates' motivation, character, ability and potential.

Overview of the process and typical recipient profile

This scholarship program was established in 1971. In a typical year, approximately 120 applications are submitted. Incomplete or illegible applications are immediately disqualified; applicants must follow directions and assure all information, endorsements and an official transcript is submitted.
